Committee on Youth Meeting: October 26, Monday, 7:00pm

SPD Underground – Local Music Throw-down: October 9, Friday, 6-10pm

Attention local musicians: It's time to suit up and put on your rock star face. This Music Tournament will feature a true battle between bands. Bands will square off face-to-face in a music match. Each match will consist of 4-6 songs per band. Each band will alternate between sets of two songs. In other words, band "A" will play 2 songs, band "B" will then play 2 songs, and so on until each band has played the full six songs. While bands are transitioning between sets, a panel of judges will score performers based on stage presence, musical variety, song difficulty and several other categories. Bands will be eliminated until there are only two bands left. The winning band will receive a cash prize and world-wide recognition well, at least Streamwood recognition.

Sign-up your band today by calling (630) 483-3090. (12 years & older)
Fee: \$5.00. Battle will be held at the Streamwood Park District Community Center at 777 S. Bartlett Road in Streamwood.
